Roberto's
PIZZA

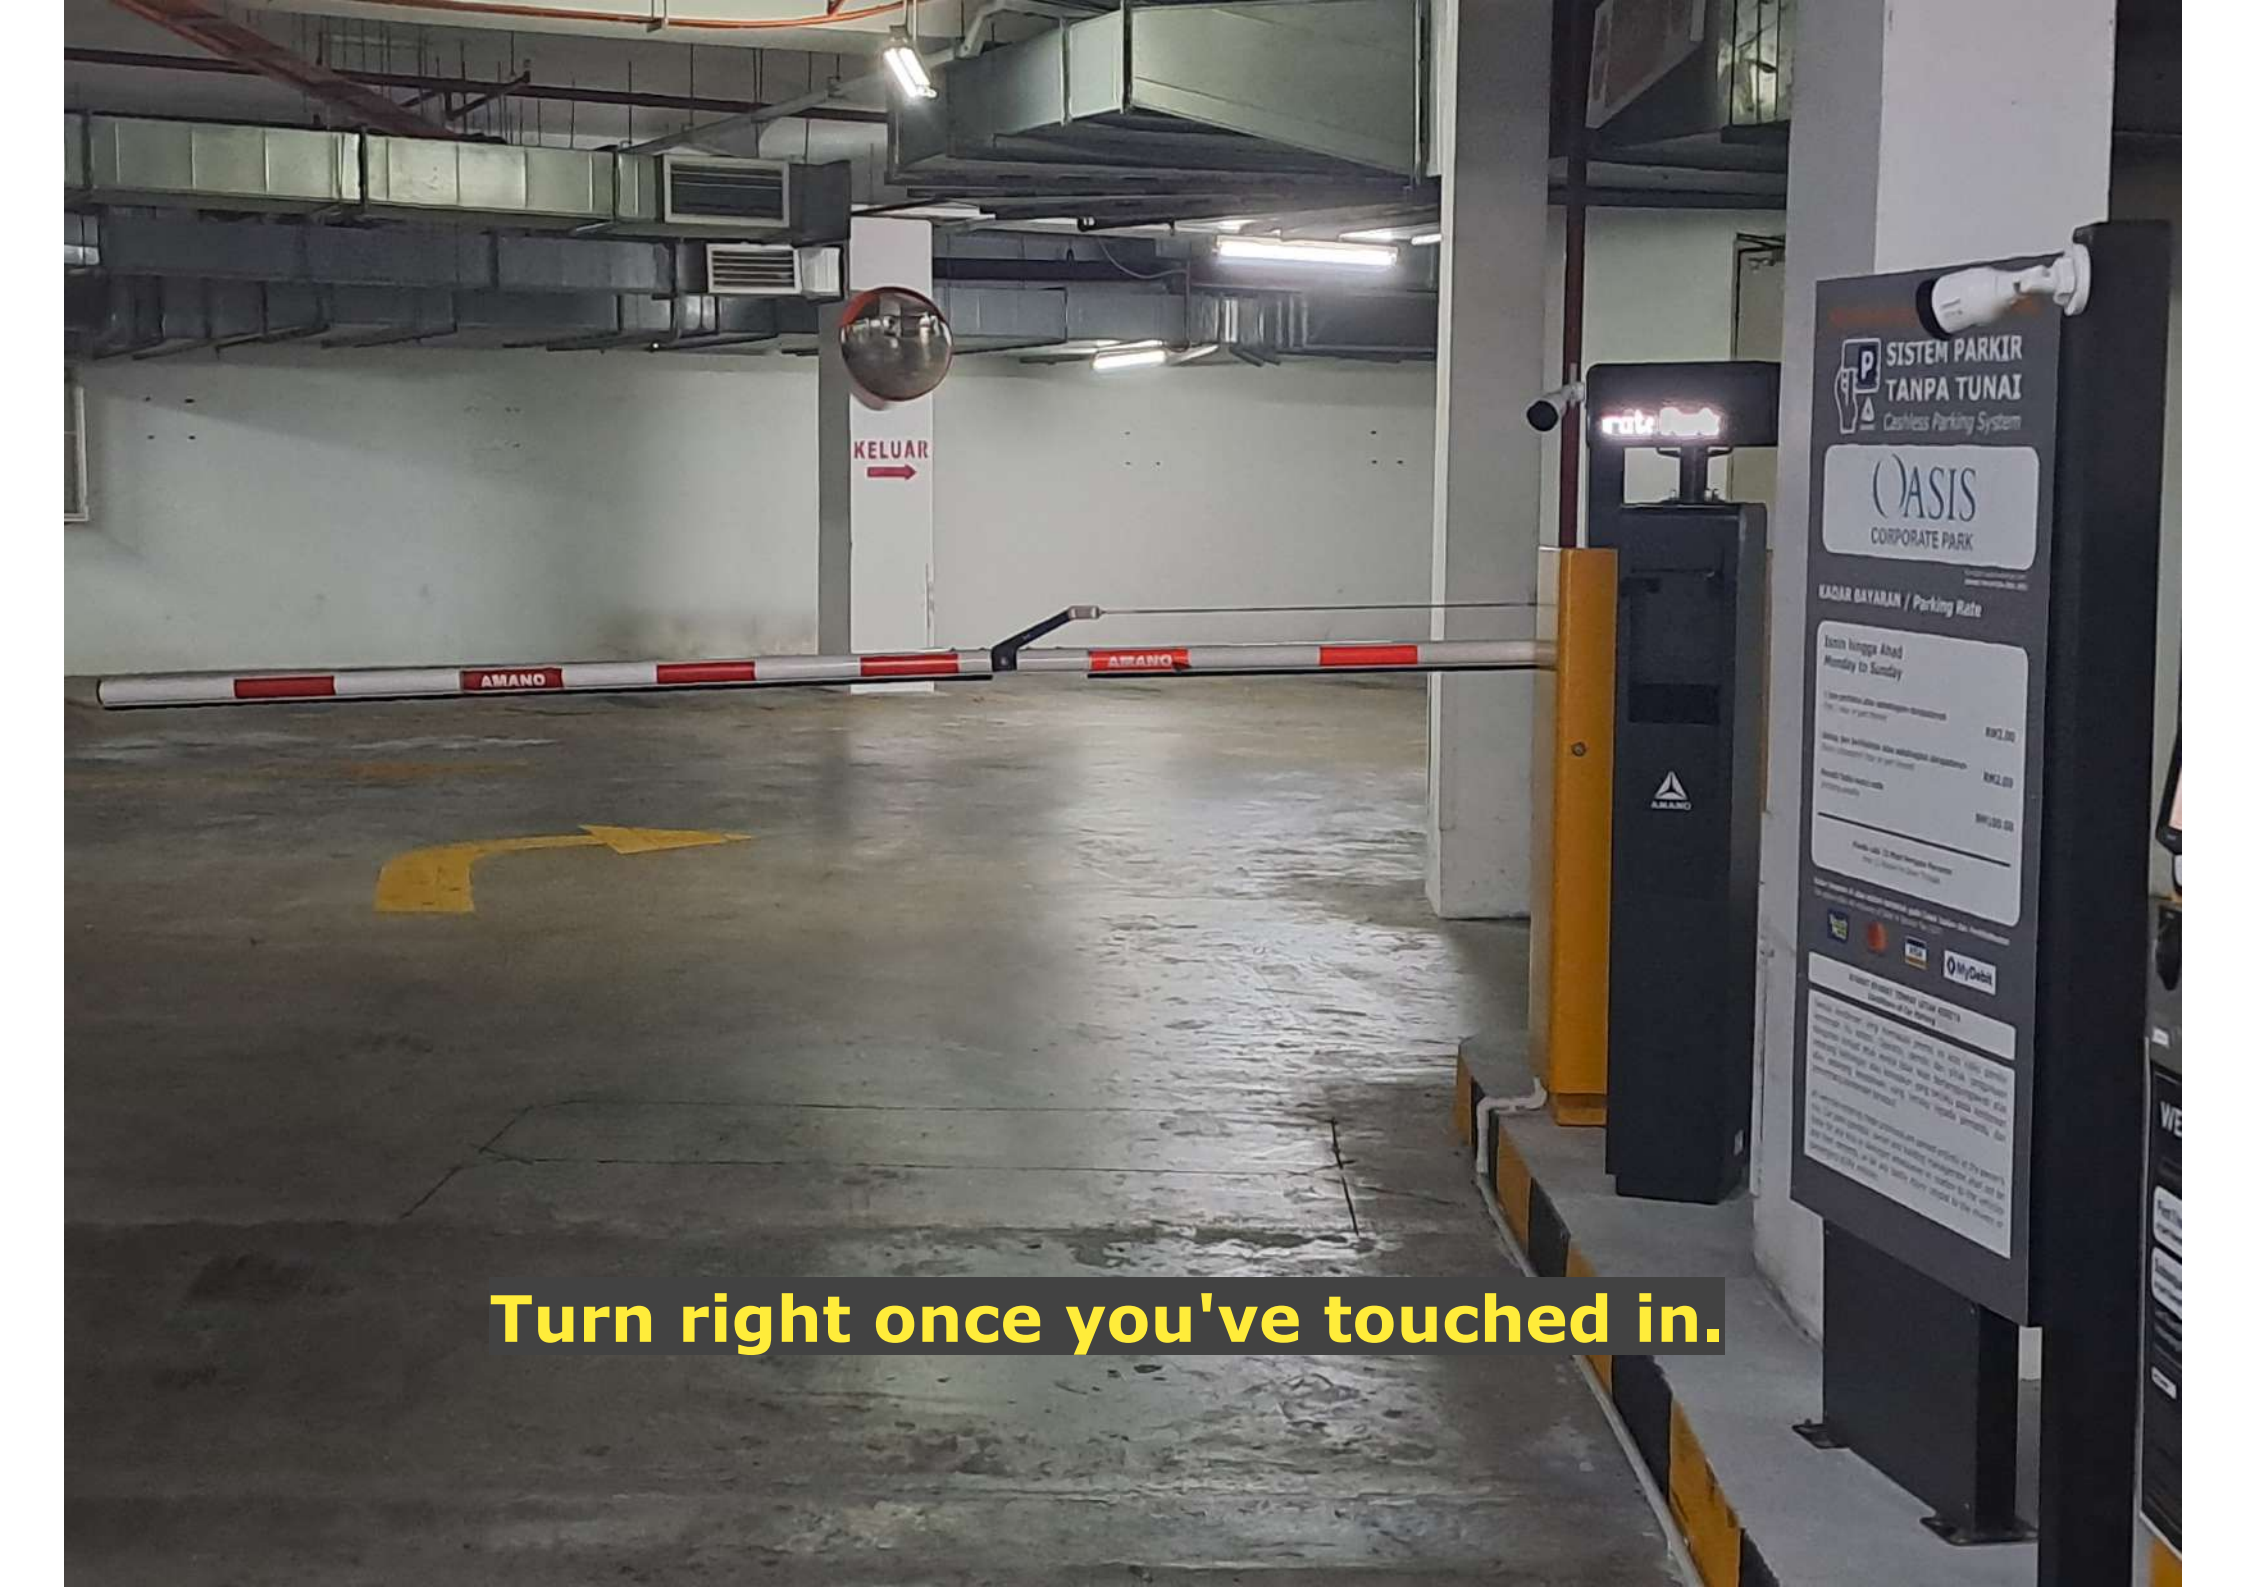

Look out for Roberto's on your right.

Take the next right turn.

It will take you straight to the UG parking.

A photograph of a parking garage entrance. A white and red striped barrier with the 'AMANO' logo is closed across the lane. To the right is a payment terminal with a screen showing 'rate' and a keypad. A sign on the terminal lists parking rates for 'OASIS CORPORATE PARK'. The background shows the interior of the parking garage with concrete pillars, ductwork, and fluorescent lights. A yellow arrow on the floor points right. A sign on a pillar in the background says 'KELUAR' with a right-pointing arrow.

Turn right once you've touched in.

PASTIKAN BAKI MENCUKUPTI SEBELUM KELUAR
Please ensure credit balance is sufficient before exit

Follow the direction of the blue arrow.

CENTUM

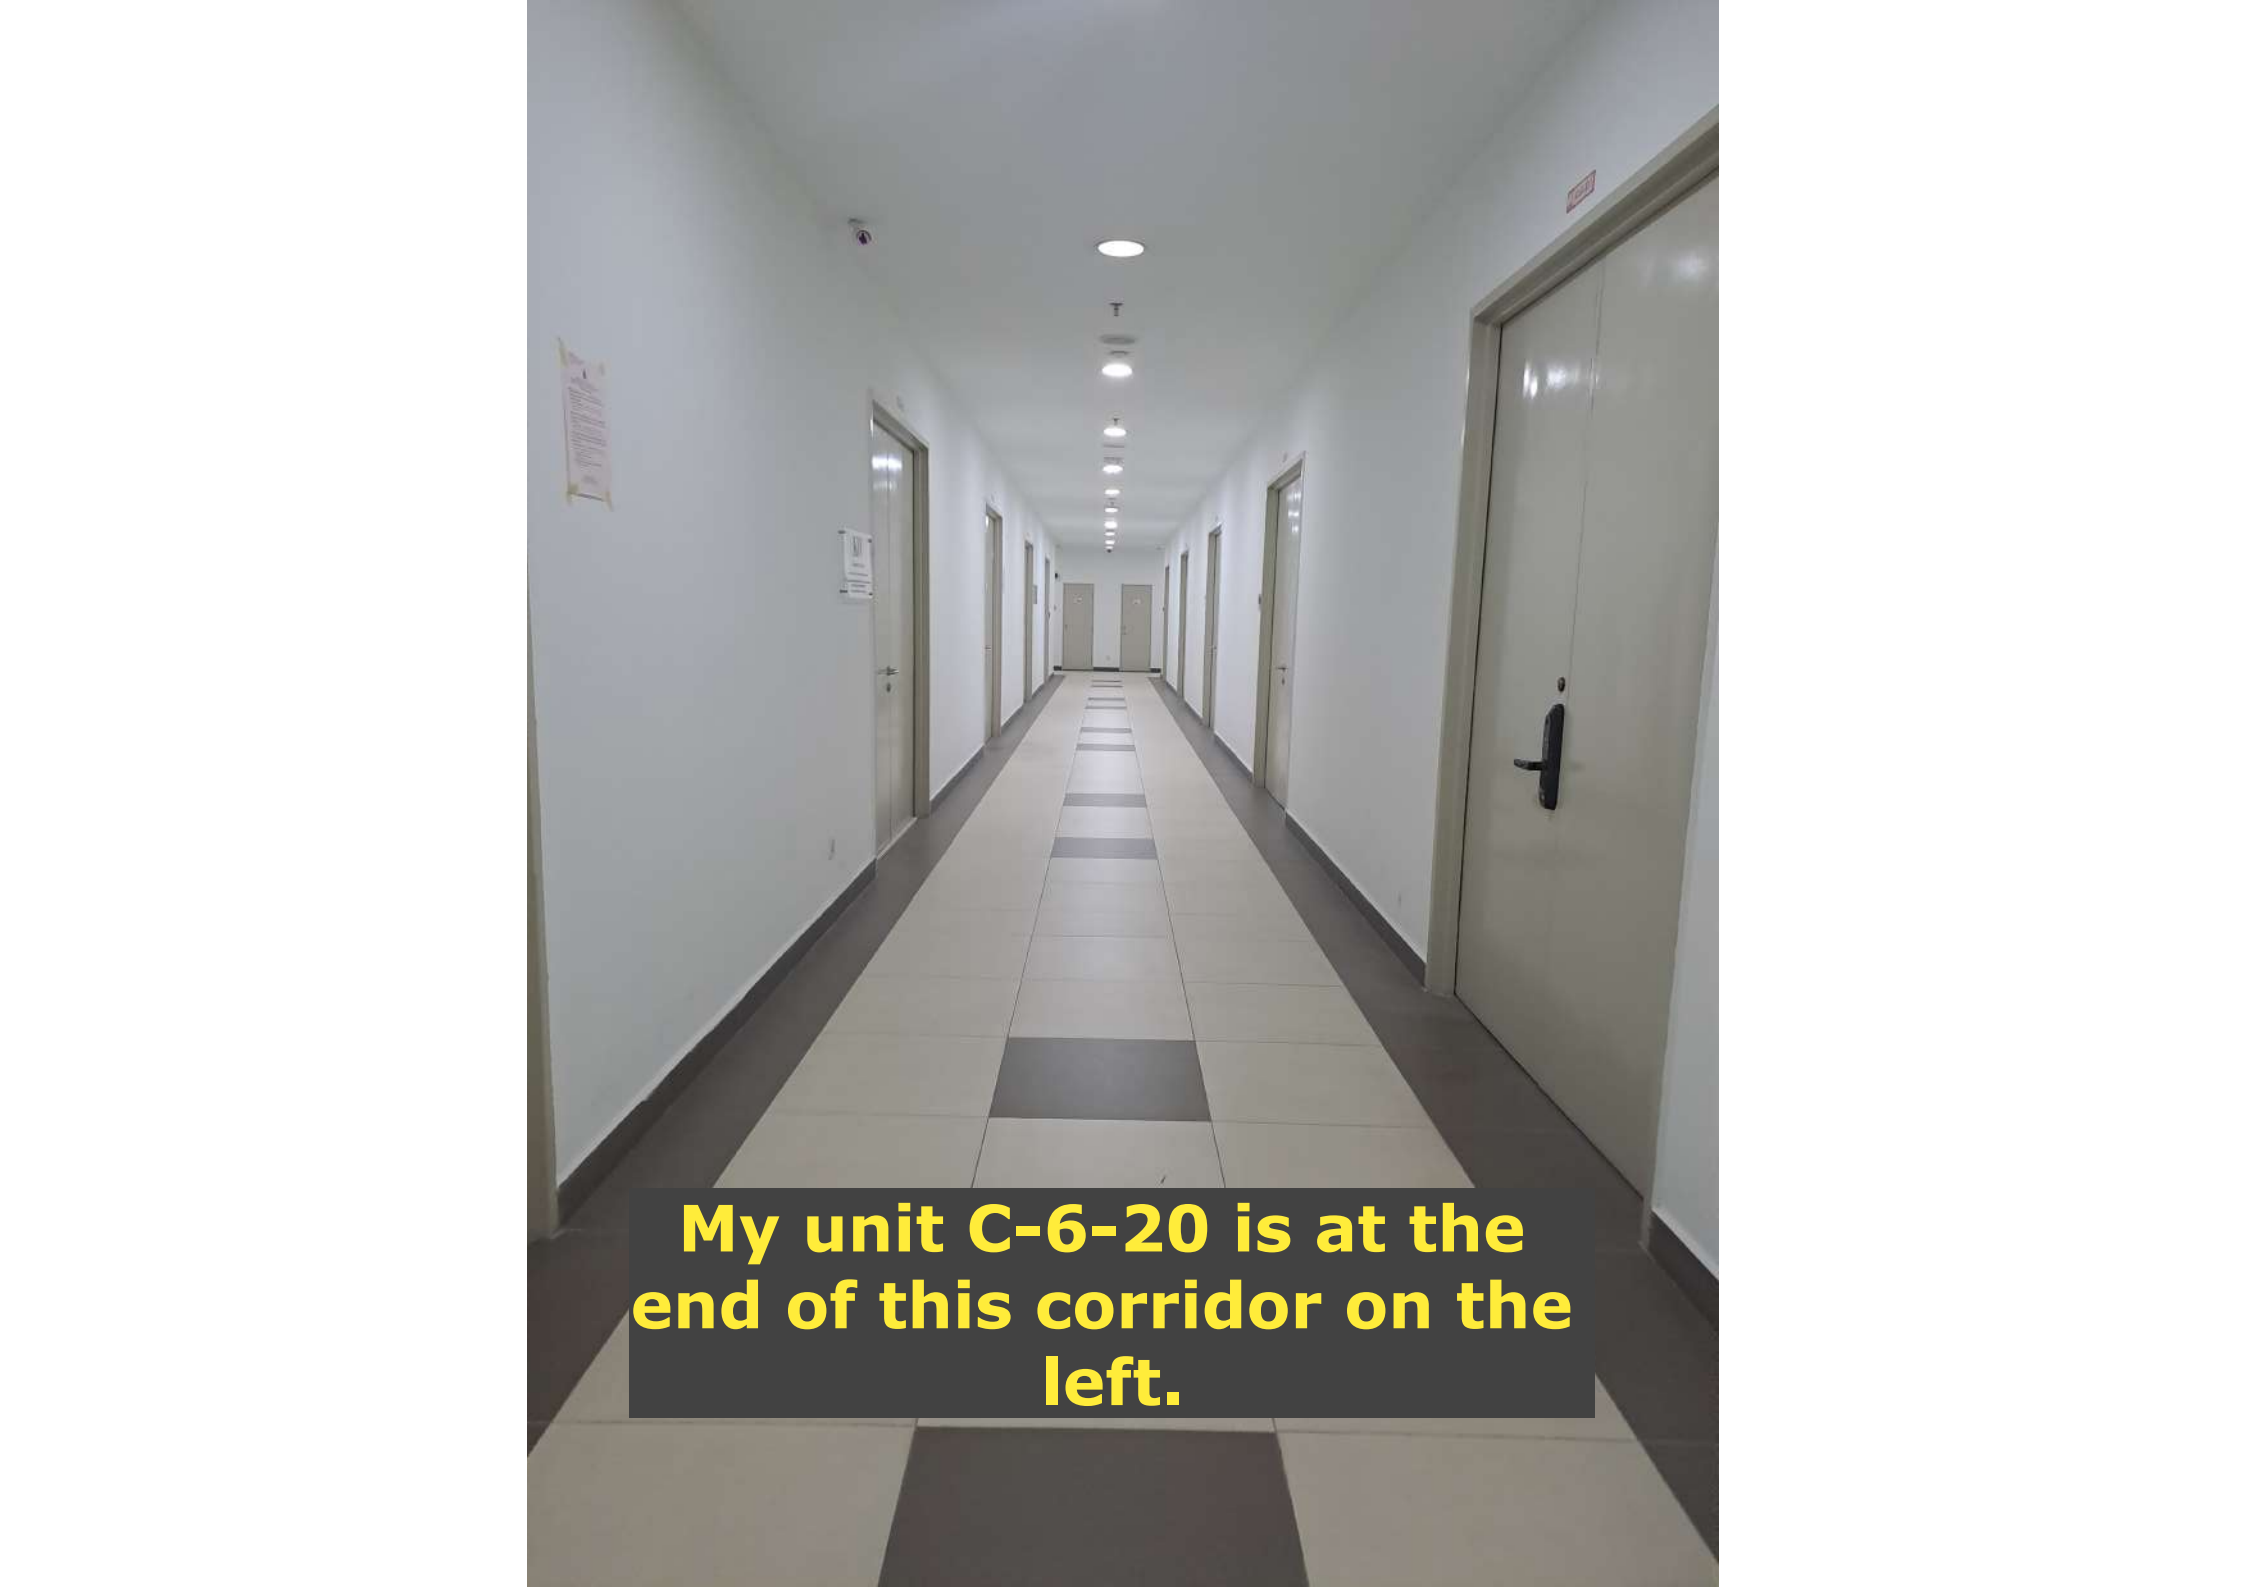

BLOCK C

It will lead you to the lift lobby. Entrance is on the other side. Go to GF, register and the guard will help you to the 6th floor.

A photograph of a hallway on the 6th floor. At the end of the hallway is a set of double doors with small rectangular windows. The walls are covered in light-colored rectangular tiles, and the floor is made of large, light-colored square tiles. On either side of the hallway, there are dark, recessed areas that appear to be elevator shafts. The lighting is bright and even.

At the 6th floor look out for the door nearest to the lift.

A perspective view of a long, empty apartment corridor. The floor is covered in large, light-colored square tiles with a central row of darker tiles. The walls are white, and the ceiling has several recessed circular lights. On the left side, there are several doors, some with small signs above them. On the right side, there is a large, light-colored door with a black handle. The corridor leads to a bright area at the far end.

**My unit C-6-20 is at the
end of this corridor on the
left.**
